

# CREATING MORE OPPORTUNITIES

## Senior Geotechnical Engineer - Auckland

AECOM is a leading provider of advanced environmental, planning, design, engineering, management and advisory services. Our local team sources and shares knowledge and experience globally, to help clients bring their projects to life reliably and efficiently wherever they are in the world.

In New Zealand we have new opportunities for senior level geotechnical engineers ready to help us deliver more than \$8 billion in major infrastructure projects.

Qualified to degree level and ideally holding CPEng registration, you will have at least 10 years experience encompassing a broad range of infrastructure projects. You will have the ability to work in a multidisciplinary environment and demonstrate proven team and technical leadership.

To apply, please forward your CV in confidence to [nzcareers@aecom.com](mailto:nzcareers@aecom.com) or contact Dominic Henderson, Senior Recruitment Advisor on 09 336 0151.
