

Engineer Your Career

Become a part of New Zealand's Company of the Year and work on a diverse range of challenging projects for clients across New Zealand and beyond.

Our expanding Geotechnical team is hiring high calibre, ambitious and career driven individuals for the following roles:

- **Senior Geotechnical Engineers** – Wellington (Job no 02245)
- **Senior Geotechnical Engineers** – all locations in NZ (Job no 02272)
- **Geotechnical Engineers** – Wellington (Job no 02244)
- **Geotechnical Engineers** – all locations in NZ (Job no 02273)

Be a part of a team that aspires to be the Employer of Choice and have the opportunity to develop your career further with:

- Challenging and large infrastructure projects
- Design analysis and problem solving opportunities
- Opportunities to grow in leadership through managing and building teams
- Delivery of high quality project deliverables.

We are an employee owned company and offer a competitive salary, employee wellness initiatives, relocation assistance, potential for employee shareholding, professional development opportunities and medical insurance.
