

Geotechnical Careers in New Zealand

You don't have to trade career for lifestyle – at Beca you can have both! Choose from a variety of career paths and diverse opportunities while enjoying the New Zealand lifestyle.

Our Geotechnical team is currently looking for:

Senior Geotechnical Engineers – Wellington / Auckland

**Senior Hydrogeologist with numerical modeling
experience – Auckland**

Geotechnical Engineers – Auckland

Expand your experience with:

- Challenging projects
- Design analysis and problem solving
- Managing and building teams
- High quality project delivery
