## NEW ZEALAND GEOTECHNICS MANAGER

- NEWMARKET, AUCKLAND

**Coffey Geotechnics** is a Coffey International Limited company and part of a multi-specialist organisation that connects a global network of expertise. With over 50 years experience in providing services at every stage of the infrastructure lifecycle, Coffey International is a company with over 4000 people working with over 80 countries across the globe with permanent offices throughout Oceania, the Americas, Africa, Asia, Europe and the Middle East. Listed on the Australian Securities Exchange and part of the S&P/ASX 300, the New Zealand operation is poised for strong growth.

Due to an internal promotion, Coffey require the leadership and experience of a local **Regional Manager** who will sit at the pinnacle of their New Zealand geotechnical operations. Reporting to the General Manager, New Zealand, and working closely with the Global Geotechnics Leader, you will be responsible for leading and driving all aspects of the NZ operation in terms of the strategic growth plan for the Geotechnics service line, staff morale, client satisfaction and financial outcomes.

To be successful in this appointment, you will need a proven career within the NZ Geotechnical market with experience in building and leading high performance teams. The ability to manage Coffey's business development activities and maintain key client relationships is essential and therefore excellent local market knowledge is critical. Additionally, you will need to be commercially astute with good financial management skills. Advanced Tertiary qualifications from a recognised institution in this specialist discipline will highlight your technical competency. Ongoing commitment to advancing your education will be recognised.
