

# STUDENT AWARD 2009

## SOUTHERN REGION

***Tuesday***

***20th October 2009***

Please come and support our two finalists for the 2009 NZGS Student Award. The finalists will be making their presentations to NZGS members on the following topics:

**M. Jawad Arefi** – Ground Response Evaluation for Enhanced Seismic Hazard Assessment

**Matt Fitzmaurice** – Collapse Mechanisms of Chimney Caving

**THE NEW ZEALAND GEOTECHNICAL SOCIETY INC**

**Venue:** E6 lecture room, School of Engineering of Canterbury University

Light Refreshments from 5:30pm near E6 lecture room, School of Engineering. Presentations begin at 6:00pm

The presentations will be followed by the judges' deliberation and the winner will be announced on the night.
